## TO WHOMSOEVER IT MAY CONCERN

**Subject: letter of Authorization to negotiate/discuss articulation and credit transfer  
Arrangement with Canadian Institutions**

Dear Sir/Madam:

This letter serves to inform the appropriate authorities that East-West Human Resources Inc. British Columbia, Canada has been authorized to negotiate articulation and credit transfer arrangements between Allahabad Agricultural Institute, Deemed University, Allahabad, India and potential Institutions and Universities in Canada and United States.

Allahabad Agricultural Institute is over hundred years old self-financing institute of higher learning established by Christian missionary Dr. Sam Higginbottom. It has been declared as deemed university by Government of India under section 3 of University Grants Commission Act, 1956 in the year 2000 and authorized to conduct its own programs award degrees under its own seal. The details about the university and its programs may be seen at its web site [www.aaidu.org](http://www.aaidu.org)

The key areas where we are looking possible Canadian partnerships are

1. Business Studies
2. Tourism and Hospitality
3. Engineering and Technology
4. Science programs
5. Agricultural Sciences

Sincerely

Rev. (Prof.) R. B. Lal  
Vice Chancellor
